## Tuesday 30th May

19:00–21:00

The FSI 2023 team will be on the ground floor in Entrance D with badges for all of your team.

We suggest you arrive by say 1830 to get your badges and be ready to start your build promptly at 1900hrs.

**PLEASE NOTE- the timing of the GET IN will be strictly regulated by the RAI Security team.**

### Deliveries

If you have organised deliveries you will have been dealing with DB Schenker. Their contact details are +31 (0) 20 225 3973 - [fairs.amsterdam@dbschenker.com](mailto:fairs.amsterdam@dbschenker.com)

Please note that you will need to liaise with DB Schenker if they have delivered your goods on pallets or big crates as these cannot be stored anywhere on the RAI premises and will need to be picked and redelivered by DB Schenker.

## Wednesday 31st May

07:30

The exhibition will formally open at 10:30 but delegates will be registering from 07:30 and may be keen to visit your stand!

On arrival at the RAI, you can expect the following in your chosen space in Elicium 2 which is situated on the 1st floor :

- Floor space only 3m x 1m – your space will either have a solid back wall or a screen but no side walls will be in place nor can be built. FSI 2023 is a table top exhibition
- 1 Table – 1.4m long x .8m wide x .75m high
- 5 amp electrical connection (you might want to bring an extension lead)

continued overleaf ...

- WIFI
- Black table covering
- 2 chairs

The Elicium is covered by a purple carpet. Nothing can be attached to the walls or other vertical surfaces. The lighting in the hall is generous. And there is ample natural light. No height restriction.

Ground floor entry with lifts and escalators to 1st floor.

## **Contacts, Storage & Rubbish**

**Although the FSI team will be there to greet you and help in any way, we would ask you contact the RAI suppliers direct as we do not have any knowledge of your agreements with them.**

The RAI exhibitor services team phone number during the event is +31 20 549 1911.

**You will have been given the opportunity to order materials for your stand from the RAI webshop. If you still need items you may contact: Tianne van Thiel (RAI Exhibitor Services) [t.v.thiel@rai.nl](mailto:t.v.thiel@rai.nl) +31 6 38 68 83 25 or Reno Zeekaf [r.zeekaf@rai.nl](mailto:r.zeekaf@rai.nl)**

Any packing requiring storage once you have set up, should be taken away to your car or room, whichever is appropriate... The Rai is very strict about not allowing storage of packing etc.

Any rubbish you need removing at the end of the GET IN and after the GET OUT should be placed in the aisles of the exhibition Hall so that the cleaning team can dispose of it. This is possible both during build-up and breakdown.
